

ALHAMBRA  
BOUTIQUE HOTEL LOŠINJ

## Sweet Lošinj Story

13.04. – 14.10.2017

**The chef of the Alfred Keller restaurant, Melkior Bašić, will prepare a combination of salty and sweet foods for you with superb dessert wines in the exclusive Wine&Dine Nedella restaurant area in Villa Augusta.**

By combining the best tradition of the Mediterranean kitchen with favourite flavours from around the world and sophisticated elements of molecular gastronomy, Boutique Hotel Alhambra has positioned itself as a must-visit location on the map of gastro and oenology delights.

You will be guided through the entire story by a sommelier who will introduce you to the characteristics of the offered wines and their connection with the selected delicacies in terms of flavour.

**Gault Millau, a renowned French guide, has included the Alfred Keller á la carte restaurant on the list of the best restaurants.**
